

To enhance the lives of individuals with *Alzheimer's disease* and other dementias

caregiver support group

The Alzheimer's Association's Caregiver Support Groups

are designed to provide emotional, educational and social support for caregivers through regularly scheduled meetings. They help participants develop methods and skills to solve problems. The groups encourage caregivers to maintain their own personal, physical and emotional health, as well as optimally care for the person with dementia.

Call 1-800-272-3900, or visit us at www.alz.org

- To attend this support group
- To find a support group in another area
- To learn about other Alzheimer's Association programs and services
- To access our services day or night
- To volunteer your time and energy to achieve a world without Alzheimer's disease
